OUR SERVICES

At Kyranis Logistics, our services are here to simplify shipping freight. Find the freight forwarding service that's right for you, explore logistics services and get your freight moving in the Kyranis Forwarding Hub.

Kyranis Logistics Agency plans the right route for every shipment. Wherever a package must go and whatever our client's budget, we work out the quickest and most cost-efficient route for the cargo.

Air Freight

Air freight is critical. Our international air freight services offer day-specific, door-to-door service to 220+ countries.

Ocean Freight

Every day we move ocean freight across many lanes. So, if you're going ocean, we've got it handled for you.

Ground Freight

Across town, across country or across borders, trust our reliable truckload services to be on time, on budget.

Express Shipping

We offer next-flight-out service for ultra-time-sensitive deliveries to Europe and major global metropolitan areas.

Freight Consolidation

Cut customs clearance time by consolidating individual shipments to the same destination country into just one shipment.

Customs Clearance

Kyranis's customs clearance services offer you a way to effectively manage the complexities of international trade.

A true multimodal provider of international, domestic and value-added logistics and supply chain solutions.

Experience seamless logistics with a global multimodal provider

We are a provider of air, ocean, ground, intermodal and warehousing services, offering scalable capacity at the lowest cost per unit.

Warehousing & Distribution Services for any logistics challenge.

66

For decades, Kyranis has provided top-tier global warehousing & distribution services to customers in many industries

Warehousing & Distribution

Kyranis Logistics offers reliable and comprehensive warehousing and distribution solutions including cross dock logistics, free trade zone solutions, and specialized services such as kitting, small pack, and many more. Our warehouse and distribution centers are strategically located throughout the world and offer a wide array of flexible services that are designed to add maximum value to your supply chain.

Unlike other logistics companies, Kyranis Logistics doesn't offer one-size-fits-all logistics solutions. We go above and beyond the ordinary to build long-term partnerships and develop customized warehousing and distribution programs to meet your exact needs. Kyranis's warehousing and distribution solutions provide an effective way to reduce overall costs, increase the end-to-end visibility in your supply chain, and reduce customer delivery time, leading to an increase in your bottom line and end customer satisfaction.
